Amending a Marriage Certificate

What information can be changed with an amendment?

Amendments are used to **correct errors** on the marriage certificate; they may **not** be used to **change** information on the certificate.

Amendments can be used to:

- Correct spelling **errors**.
- Add information to blank items.

Amendments can **NOT** be used to:

- Completely change first, middle, or last names of either party to the marriage.
- Add to or delete middle or last names of either party to the marriage.

The name information collected on a marriage certificate reflects the legal names used by the parties **prior to marriage**, as evidenced to the County Clerk prior to issuance of the marriage license. The marriage certificate cannot be amended to reflect the marital name intended to be used by either party after the marriage.

Common law recognizes the right of a person to change his or her name without the necessity of legal proceedings. Under common law, a party to the marriage can change his or her surname by non-fraudulent usage. However, a common law name change carries with it no mandate to those with whom one comes in contact to accept at face value the new name. Some ways to effectuate a common law name change is to change one's name on one's driver's license, social security card, and passport. Some agencies, such as the Department of Motor Vehicles and the Social Security Administration, may accept a certified marriage certificate as proof of identity to use your spouse's last name after marriage.

I changed my name through the court process. How can I add my court order name change to the marriage certificate?

If the party receives a court order name change or changes their name through the naturalization process after the marriage, they may add that name as an AKA ("also known as") with a VS 24(C) form. A sample AKA amendment is enclosed.

- A certified copy of the court order changing the name of the party is required.
- If the party's name was changed through the Naturalization process, photocopies of the Petition for Name Change from U.S. Citizenship and Immigration Services and the Certificate of Naturalization with the Department of Homeland Security seal are required.

What do I submit to amend a marriage certificate?

- You will need to complete an original Affidavit to Amend a Marriage Record, VS 24(C) form. **Photocopies are not acceptable.** Please see page 4 for information on obtaining an original form.
- You must include a photocopy of the current marriage certificate with the local registration number on it. We need the local registration number to identify the exact record to be amended.
- If you are requesting a Certified Copy of the amended record, you **must** include a notarized Sworn Statement (see next section for more information).
- Mail the following items to our office using the address on the front of this pamphlet:
 - Completed VS 24(C) form.
 - Appropriate fee.
 - Notarized Sworn Statement (if copy of amended record is being issued).
 - Photocopy of current marriage certificate (with local registration number).
- If any of the required items are not included, your request will be returned to you for correction.

Confidential Marriage: Our office does not maintain records of confidential marriages. To amend a confidential marriage record, you will need to submit your VS 24(C) form to the County Clerk's Office in the county where the marriage license was issued (contact their office for the appropriate fee). You can still use the information in this pamphlet to assist you in completing the VS 24(C) form.

Why do I need a Sworn Statement?

Effective January 1, 2010, new law changes the way we issue marriage certificates. There are now two types of certified copies that we provide:

1. **Certified Copy** (only authorized individuals can get this type).

If you are requesting a **Certified Copy**, you **MUST** provide a notarized Sworn Statement (see page 3 of the Application for Certified Copy of Marriage Certificate) declaring under penalty of perjury that you are authorized by law to receive the Certified Copy.

You **do not have to complete** the attached Application for Certified Copy of Marriage Certificate, but please read the first page for the definition of "authorized person" before completing the Sworn Statement.

(Continued)

Why do I need a Sworn Statement?

(Continued)

If you are requesting a Certified Copy and a notarized Sworn Statement is not included, we will not be able to accept your request for processing.

A Certified Copy can be used to establish the identity of the person named on the certificate.

Note: Only one Sworn Statement is required for multiple records that are requested at the same time – but the Sworn Statement **must** include the name of **each** person whose record is being requested and your relationship to that person.

2. **Certified Informational Copy** (anyone can get this type).

If you are requesting a **Certified Informational Copy**, you **DO NOT** need to provide a Sworn Statement.

A Certified Informational Copy **cannot be used to establish identity**.

Persons who are not eligible to receive a Certified Copy can receive a Certified Informational Copy.

Both of these documents are certified copies of the original document on file with our office – they are exactly the same and contain exactly the same information. Our application (attached) contains more detailed information about these two types of certificates.

What is the fee to amend a marriage certificate?

Within One Year of the Marriage:

- There is no fee to amend a record within one year of the date of the marriage (**but you do not get a copy of the amended record**).
- If you want a Certified Copy of the amended record, there is a \$15 fee for each copy.

If the Marriage Occurred More Than One Year Ago:

- There is a \$23 fee, which includes one Certified Copy of the amended record.
- Additional copies are \$15 each.

(Continued)

What is the fee to amend a marriage certificate?

(Continued)

Fees should be paid by check or money order payable to **CDPH Vital Records**. International money orders for out-of-country requests should be payable in U.S. dollars.

If you are not paying a fee to process the amendment (it is within the first year and you are not paying to get a Certified Copy of the amended record), you will not receive any contact from our office – we will just amend the record and close the file.

Once we complete the amendment (information on the processing time is listed at the end of this pamphlet), we will send a copy of the amended record to the local county recorder so they can update their records.

Where can I get the VS 24(C) form?

Because the amendment document becomes part of the official record, it must be an **original** form (our office uses a special bond paper).

Photocopies are not acceptable. One application form is included if you receive this pamphlet by mail. If you need additional copies of the VS 24(C) form, or are accessing this pamphlet on our website:

- Order forms electronically at:
<https://apps.cdph.ca.gov/AutoForm2/default.aspx?af=1184>.
Because of the volume of phone calls we receive, the Internet is usually a faster process for our customers than calling our Customer Service Unit.
- Call our Customer Service Unit at (916) 445-2684.
- You can also get the form from the County Clerk or County Recorder in any California county.

How do I complete the VS 24(C) form?

A sample of what a completed form should look like is attached.

- Check the type of marriage record to be amended: Public, Confidential, Declared, or Non-Clergy. (Remember that a confidential marriage amendment must be submitted to the County Clerk to process.)
- Do not write on the lines above Part I that are marked “State File Number” or “Local Registration Number.”

PART I:

- Complete the information **exactly** as it appears on the current marriage certificate.

(Continued)

How do I complete the VS 24(C) form?

(Continued)

Note: If you need a copy of the current marriage certificate to complete this section, you can get a copy by contacting the County Recorder's Office in the county where the marriage license was issued (you will need to contact the County Clerk's Office in the county where the license was issued to obtain a copy of a confidential marriage certificate). Due to the increased and urgent need for certified copies of birth certificates as proof of identity, CDPH Vital Records is experiencing lengthy delays in the processing time for marriage records. Since this processing time is quite lengthy and may exceed six months, you should submit your request for a marriage record to the County Recorder's Office in the county where the marriage license was issued.

PART II:

- **Item 5:** Enter the item number from the current marriage certificate that needs to be corrected. List only one item per line.
- **Item 6:** Enter the *incorrect* information **as it appears** on the current marriage certificate.
- **Item 7:** Enter the *correct* information **as it should appear** on the marriage certificate.
- **Item 8:** Briefly state the reason for the correction.

Who may sign supporting affidavits?

Items 9A and 10A on the VS 24(C) form:

- Two persons having knowledge of the facts must complete the supporting affidavits (e.g., a party to the marriage). See next section for additional information. The signed affidavits must be included on the bottom of the VS 24(C) form – and not as a separate document.
- ***Two signatures are required.***

Are there situations where specific persons must sign the affidavits?

Yes.

- If a new name field is being amended, one of the parties to the marriage and the county clerk must sign the affidavit stating it was a clerical error.
- If the date or place of marriage is being amended, the amendment must be signed by the marriage officiant. If the officiant is not available, a court order to amend is required.

**What makes a
VS 24(C) form
“acceptable?”**

Important Information

Marriage certificates are legal documents that must hold up in any court, unchallenged as to their accuracy and reliability.

Because the amendment you submit becomes an actual part of this legal document, it must adhere to strict guidelines:

- Every item on the amendment must be completed.
- The amendment form must be an original, not a photocopy.
- Because the amendment form becomes part of the official record, every word and letter must be extremely clear and legible. ***Using a typewriter to complete the form ensures that the information is interpreted clearly.***
- If you are not able to type the amendment, it is extremely important that you take the extra time to print ***very clearly and legibly***. Documents that are not legible will be returned to you to complete again.
- ***Only black ink is acceptable.***
- ***There cannot be any erasures, whiteout, or alterations.***

**Once I file the
amendment, what
happens to the
original record?**

-
- The original record remains unchanged, and the amendment becomes page 2 of the marriage certificate – making it a two-page document (per Health and Safety Code Sections 102140 and 103255).
 - Anyone receiving a copy after the amendment is applied will receive a copy of both documents.

**How long will it
take to process
the amendment?**

The processing time for marriage amendments can be located on our website at:

<http://www.cdph.ca.gov/certlic/birthdeathmar/Pages/ProcessingTimes.aspx>

**What if I still
have questions?**

If you have read this pamphlet thoroughly and still have questions that were not answered, please call our Customer Service Unit at (916) 445-2684. If you are checking the status of your request, please wait until after the processing time has passed before contacting us.

Note to Customer:

We *cannot process your request* unless you complete *both sides* of the enclosed amendment form. The information on both sides is important information for our records, and *both sides must be completed in order to process your request*. Thank you.

INFORMATION:

Public marriage records have been maintained in the California Department of Public Health Vital Records (CDPH-VR) since July 1, 1905.

- **1905 through 1948, 1987 through 1997, and 2000 to 2010:** We ***are not able to provide*** certified copies of certificates for these years. You will need to contact the County Recorder in the county where the license was issued. Our staff is continually indexing older marriage records and will post updates on our website as more years become available for request.
- **1949 through 1986:** Due to the increased and urgent need for certified copies of birth certificates as proof of identity, CDPH-VR is experiencing lengthy delays in the processing time for marriage records. Since this processing time can easily exceed six months, you should submit your request for a marriage record to the County Recorder's Office in the county where the marriage license was issued.
- **1998 through 1999 and 2011 to Present:** If you require a copy within the first six months after the date of event, we recommend that you send your request to the County Recorder's Office where the marriage license was issued, as our office may not have the record available yet. If you choose to send your request to our office within the first six months after the date of event, and we do not have the record available yet, we will issue you a Certificate of No Public Record (CNPR). Our office will retain the fee for the search, per California law.
- **Confidential Marriage Records:** We ***do not maintain*** confidential marriage records. Contact the County Clerk's Office in the county where the marriage license was issued.

INSTRUCTIONS:

1. **ONLY** individuals who are authorized by Health and Safety Code Section 103526 can obtain a Certified Copy of a Marriage Record. (Page 1 identifies the individuals who are authorized to make the request.) All others may receive a Certified Informational Copy which will be marked, "Informational, Not a Valid Document to Establish Identity."
2. Complete a separate application for each marriage record requested.
3. Provide as much information as possible to help us locate the specific record you are requesting. Complete ***First Person and Second Person Information*** for marriage requests. If the information you provide is incomplete or inaccurate, we may not be able to locate the record.
4. **SWORN STATEMENT:**
 - The authorized individual requesting the certified copy must sign the attached Sworn Statement, declaring under penalty of perjury that they are eligible to receive the certified copy of the marriage record, and identify their relationship to the registrant (person listed on the certificate) – the relationship must be one of those identified on Page 1.
 - If the application is being submitted by mail, the Sworn Statement **must be** notarized by a Notary Public. (To find a Notary Public, see your local yellow pages or call your banking institution.) **Law enforcement and local and state governmental agencies are exempt from the notary requirement.**
 - You do not have to provide a Sworn Statement if you are requesting a certified informational copy of the marriage record.
5. Submit \$15 for **each** copy requested. If no marriage record is found, the fee will be retained for searching for the record (as required by law) and a "Certificate of No Public Record" will be issued to the applicant. Indicate the number of copies you want and include the correct fee(s) in the form of a personal check or postal or bank money order (International Money Order for out-of-country requests) made payable to **CDPH Vital Records**. **PLEASE SUBMIT CHECK OR MONEY ORDER – DO NOT SEND CASH** (CDPH cannot be held responsible for fees paid in cash that are lost, misdirected, or undelivered).
6. Mail completed applications with the fee(s) to:
